

Teambuilding & Tree Planting

featuring Churchill's Codebreaker Challenge
Gospel Oak Lane, Pathlow, Warwickshire, CV37 0JE

An accessible Forest Garden supporting good causes

The Forest of Hearts is supporting a new five acre agroforestry project in lovely, leafy Warwickshire. The forest is open to all. Trees capture tonnes of CO2.

Tree planting is easy, fun and accessible and creates beautiful wildlife havens.

You can help to create this accessible Forest Garden which will support good causes and help to educate future generations about food security. Over 100 edible crops will be grown.

An eco friendly way to make a difference

- Teambuilding with a purpose and a challenge
- Plant trees - a green, lasting and precious legacy in The Forest of Hearts
- A great afternoon or morning out in a beautiful Warwickshire location
- A healthy, sociable and useful way to bring a team together in the fresh air
- Delicious food and refreshments
- A unique way to combine Corporate Social Responsibility and Team Building
- An eco friendly alternative way to give something back to the community

Purpose and pleasure

Dress up warmly, bring your walking boots and prepare to plant precious trees in The Forest of Hearts. As part of Churchill's Codebreaker Challenge, you will encounter a number of tasks which, if completed successfully could win you tokens. Collect as many tokens as you can to win fun prizes. One lucky person may discover the secret treasure hidden in the woods. A great way to enjoy the countryside and support the environment.

Warming soup to enjoy

Will it snow in Wild Wood?

Time for reflection and thinking

Mull things over at the end

Teambuilding & Tree Planting

featuring Churchill's Codebreaker Challenge

Gospel Oak Lane, Pathlow, Warwickshire, CV37 0JE

The trees you will plant

You will plant a mix of native broadleaf trees including oak, ash, birch, beech, small leaf lime, hawthorn and field maple.

The Forest of Hearts Mission

The aim of the charity is to ***promote accessible and sustainable agroforestry.***

Giving back and doing good

For a half day event at only £99 + VAT per person you will plant trees and contribute to the creation and maintenance of this beautiful, tranquil place. Food and refreshments are included. Your newly planted area of woodland could also have your company name attached to it, with the option to have a small sign erected to mark your area of the Forest. For each person attending we will donate £10 to the Helping Little Hearts Campaign with Heart Research UK.

Location

Your base for the day is the fascinating Churchill Hall, where memorabilia acquired from Bletchley Park, including a lifesize model of Winston himself will inspire and energise your time here. The Forest of Hearts is a two minute walk from Stratford Armouries museum across an open field.

To book
